

Government Polytechnic, Jalgaon .

Electronics and Telecommunication Department .

News Letter.

Department Establishment : 2008

Volume : 2 Academic year: 2021-22.

Vision

To cultivate the value based competent Electronics and Telecommunication Engineers.

HOD's Desk

It gives me immense pleasure and pride to introduce the second edition of departmental official newsletter. The department was established in the year 2008 with vision of developing in the field of Electronic and Telecommunication and make students blossom with meritorious and competent engineers by hard and smart work. The department has highly qualified and experienced faculty dedicated for technical skills and development in the students through the extracurricular activities around the year. Department conducts various activities under department such as Guest Lectures, Parents Meet, Engineer's Day, Teacher's Day, Swachh Bharat Abhiyan, Blood donation camp, Industrial Visit, Marathi Bhasha Gaurav Din, Sports day, Shiv Jayanti etc.

Mission

M1: To provide diploma level technical education and consultancy services in Electronics & Telecommunications Engineering to meet the needs of industry and society.

M2: To develop demand driven Electronics & Telecommunication Engineers by providing good facilities and conducive environment.

M3: To equip learners with skills related to entrepreneurship, lifelong learning and employability.

M4: To disseminate knowledge with practical exposure ensuring professional and safety practices with ethical development.

EDITOR'S MESSAGE

We are very happy that Electronics and Telecommunication department is going to release new edition of **NEWS LETTER**. It shows the programs and achievements that the E&TC department has organized and achieved in last year (i.e.**2021-2022**). We desire that E&TC department always bring a great success and wishes to all the students and **CONGRATULATIONS** to all those students who make us feel proud. And at last, **ALL THE BEST** to all students of E&TC department to have bright future in this field.

A deep condolence to **SHRI. C.P. BARHATE** sir who has been passed away this year.
