## Principal's Desk

Dear Students,

I am delighted to announce that our institute has achieved prestigious accreditation from the National Board of Accreditation (NBA), signifying our commitment to delivering high-quality engineering education that meets industry standards. This accomplishment is a testament to the hard work of our dedicated faculty, staff, and most importantly, your active participation in the learning process.

Congratulations on being a part of this milestone achievement!"

Warm regards,  
Dr. P. M. Patil

---

## HOD's Desk

We are delighted to announce that our Department Information Technology has successfully received accreditation from the National Board of Accreditation (NBA), signifying a high standard of quality in our curriculum and teaching practices. This achievement means your degree will be recognized nationally as meeting industry-relevant standards, enhancing your employability prospects.

Warm regards,  
Mr. H. K. Nemade

# Departmental Activities

## 1. Induction Program

On August 2024, the Information Technology (IT) Department of Government Polytechnic, Jalgaon, conducted its inaugural induction program for all first year enrolled students. The event aimed to familiarize new students with the institution's ethos, culture, and academic environment.

A highlight of the program was the presence of Mr. Akole sir, who provided valuable guidance and insights to the students. The induction included sessions on institutional policies, campus facilities, and opportunities for personal and professional development, ensuring that students felt welcomed and prepared for their academic journey.

## 2. Tree Plantation

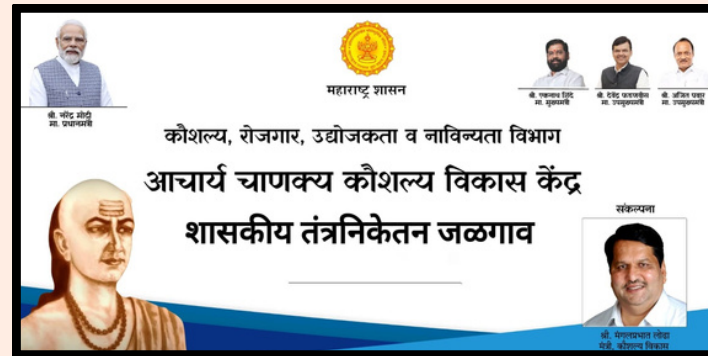

A tree plantation drive was organized by the 2nd-year students of the IT department on 13th August in the presence of all the faculty members. Trees were planted in front of the department, symbolizing a commitment to environmental conservation and sustainability. The event was well-received and highlighted the importance of greenery on campus.

### 3. आचार्य चाणक्य कौशल्य विकास केंद्र

On September 20, 2024, the Acharya Chanakya Kaushalya Vikas Kendra (ACKVK) was inaugurated virtually by Honorable Prime Minister Shri Narendra Modi. The event marked the launch of a significant initiative aimed at enhancing skill development and entrepreneurial spirit among the youth. Dignitaries, including various ministers, graced the occasion, underscoring the government's commitment to empowering students across the state.

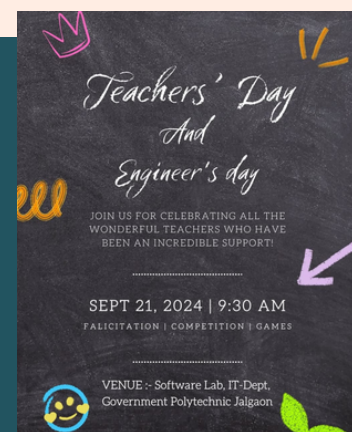

Colleges from various districts participated in the ceremony via Zoom, reflecting a collective enthusiasm for the program's objectives. Our Information Technology Department also joined the celebration online, aligning with the institution's dedication to fostering skill development and embracing opportunities for student advancement.

## 4. Teachers Day & Engineer's Day

On September 21, 2024, our Information Technology Department commemorated both Teachers' Day and Engineering Day with a series of engaging events. We had the honor of hosting Dr. Suhas. S. Gajre, Principal of Government College of Engineering, Jalgaon, as the chief guest. Dr. Gajre provided invaluable guidance to our students, sharing insights from his extensive experience in the engineering field. The celebration included a poster presentation competition for first and second-year students, and a paper presentation competition for third-year students. Esteemed juries were invited to evaluate the presentations, and prizes were awarded to the winners, recognizing their hard work and creativity.

---------------------------------------	---	---	---

In honor of Teachers' Day, we facilitated our dedicated faculty members, acknowledging their contributions to the department and the students' growth. Additionally, various games were organized for the teachers, fostering a spirit of camaraderie and appreciation. The event was a resounding success, strengthening the bond between students and faculty, and celebrating the essence of engineering and education.

## 5. Visit To IoT Lab

All students, accompanied by faculty, visited the IoT Lab located in the Mechanical Department of our college on 4th October. Mrs. Dipali Chaudhari conducted a detailed demonstration of all the projects displayed in the lab. Students actively participated by asking insightful questions related to the projects, further enhancing their understanding of the concepts presented. The visit proved to be an enriching experience for everyone, providing exposure to innovative ideas and practical applications in the field of IoT.

## 6. Shastra Puja

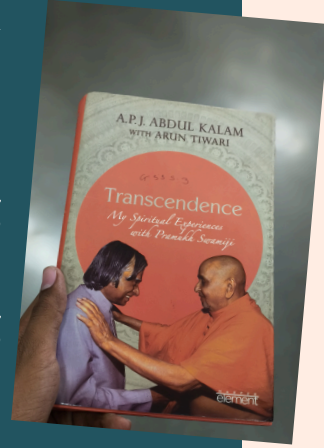

On October 11, 2024, our Information Technology Department celebrated the ninth day of Navaratri with a vibrant Navaratri Utsav. The festivities commenced with a Shastra Puja, during which we performed rituals for our technological instruments, including computers, printers, and cables, acknowledging their significance in our academic pursuits. Following the puja, third-year students showcased a lively Garba performance in front of the faculty, embodying the cultural essence of the festival. The day concluded with students and faculty coming together to enjoy the celebrations, fostering a sense of unity and joy within the department.

## 7. Student's Day And Vachan Prerna Divas

On October 15, 2024, our Information Technology Department celebrated Student Day and Vachan Prerna Divas, commemorating the birth anniversary of Dr. A.P.J. Abdul Kalam. The event began with a pooja of Dr. Kalam's portrait, honoring his contributions to science and education. To inspire a love for reading, the department organized a book exhibition, providing a variety of books for students to explore.

Additionally, a quiz competition was held, engaging students in a stimulating test of knowledge. Prizes were awarded to the winners, encouraging participation and academic excellence. The day's activities aimed to foster a culture of reading and continuous learning among students, in line with Dr. Kalam's vision.

## 8. Women Empowerment Program in IT Department

The IT department recently organized an impactful Women Empowerment Program, facilitated by Dr. Shubham Pingale in collaboration with USAID. The session aimed to educate and empower the female students of the department. Dr. Pingale delivered an insightful session that focused on critical topics related to women's health and well-being. His guidance provided valuable knowledge, enabling the students to better understand and address health-related challenges.

The event was a resounding success, fostering awareness and inspiring the participants to prioritize their health alongside their academic and professional aspirations. The IT department remains committed to hosting such initiatives that contribute to the holistic development of its students.

F. No. 28-678-2023-NBA

Date: May 30, 2024

To,

The Principal  
 Government Polytechnic Jalgaon,  
 NH-06, Jilha Peth,  
 Opposite to Government ITI,  
 Jalgaon- 425001, Maharashtra.

**Subject:** Accreditation status of Diploma Engineering programs applied by Government Polytechnic, Jalgaon, NH-06, Jilha Peth, Opposite to Government ITI, Jalgaon- 425001, Maharashtra.

Sir,

This has reference to your application I.D. No. 8014-26/04/2023 seeking accreditation by National Board of Accreditation to Diploma Engineering programs applied by Government Polytechnic, Jalgaon, NH-06, Jilha Peth, Opposite to Government ITI, Jalgaon- 425001, Maharashtra.

2. An Expert Team conducted onsite evaluation of the programs from **22<sup>nd</sup> to 24<sup>th</sup> March, 2024**. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (Diploma)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Information Technology	January 2019 Document	Accredited	Academic Years 2024-2025 to 2026-2027 i.e. upto 30-06-2027	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Electrical Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for 3 years. **Government Polytechnic, Jalgaon, NH-06, Jilha Peth, Opposite to Government ITI, Jalgaon- 425001, Maharashtra** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Government Polytechnic, Jalgaon, NH-06, Jilha Peth, Opposite to Government ITI, Jalgaon- 425001, Maharashtra** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.
