कवियात्री बहिणाबाई चौधरी यांना विनम्र आदरांजली

आठवण कवियत्री बहिणाबाईची
सांगावी त्याची वाणी
वाटते बोलताना अभिमानी
न शिकवता ते शिकवून गेले
अकस्मात कविता त्यांची आले
कवी स्वरूपाने म्हणत होते ते ज्या गोष्टी घडल्या
त्यावर व्यक्तिमत्त्वाच्या विचारधारा अडल्या
त्यांचे कविता काल्पनिकता न करते
शब्द शब्दांमध्ये वास्तविकता भरते
न लिहिता ओळी समोर आल्या
अशा कविता त्यांच्या प्रसिद्ध झाल्या
प्रत्येक गृहिणी स्वतःच्या जीवनाविषयी बोली मागते
ते बोली त्यांची कविता सांगते
जे काही निरीक्षण त्यांनी केले
त्यास कविता या रूपाला नेले
त्यांच्या विचारांना नमस्कार देऊ
पिढ्यान पिढ्या पुढे नेऊ
कवित्री विषयी कविता लिहावी
हेच त्यांच्या आठवणीत गोडी असावी

About the Institute

Government Polytechnic, Jalgaon, was established in 1960. The institute is governed by the Government of Maharashtra and approved by the All India Council for Technical Education (AICTE) and Pharmacy Council of India (PCI), New Delhi, to offer technical-level Diploma and post-diploma program in engineering, technology, and pharmacy as per The norms of the Maharashtra State Board of Technical Education (MSBTE), Mumbai. The campus is spread over a land area of 52 acres. Under a World Bank-assisted project implemented during 1992–97, infrastructure facilities have been enhanced and High-Tech equipment has been procured. The institute offers need-based continuing education program, testing, and consulting services to businesses and industry, as well as services to the community through Technology transfer.

About the Department of Pharmacy

Our Pharmacy Department was established in 1964. Our department features well-equipped labs, a library, a medicinal plant garden, and a modern classroom, as well as competent and experienced staff. We received grants from DTE Mumbai and MSBTE Mumbai each year to organize FDPs and state-level paper presentations for students. Since 2013, we have earned an "Excellent" rating in academic monitoring from MSBTE Mumbai. During the lockdown, we taught around 5000 faculty members how to transform education using modern pedagogical methods. We have built an SPDP cell in our department to help SC/ST students improve their skills and personalities. The AICTE, New Delhi, issued us a MODROB grant to help us update our lab facilities. We have initiated a self-financed NSS Unit for the social and National development of our students. Our department is convinced that Education is the most important facilitator of social change and a doorway to a better society.

PRINCIPAL's MESSAGE

Dear Reader,
Greetings,

I am delighted to deliver the Institute's Newsletter for the month of July 2023. The current newsletter contains a wealth of information about recent events, noteworthy faculty research, and notable alumni accomplishments. The biochemistry lab was recently rebuilt with the assistance of AICTE New Delhi's MODROB initiatives. At the intercollegiate level, our students excelled in sports as members of the IEDSSA. It was amazing to see so many local and international alums back at their alma university. Students and teachers alike would do much more in the years to come.

I congratulate team "The Pharma Memoir" for their hard work to make this quality newsletter.

Best Wishes,

Dr. Parag M. Patil,
Principal (I/C)

HOD's MESSAGE

I am delighted to present the fifth issue of our newsletter. The major strength of the department lies in our team of well-qualified and dedicated faculty members who consistently support our students in achieving academic excellence. This year, we had the privilege of organizing a State Level Technical Paper Presentation Competition for Diploma Pharmacy students, sponsored by MSBTE. In our endeavor to enhance the infrastructural facilities for our students, we have upgraded the Biochemistry laboratories with sophisticated instruments procured under the AICTE MODROB scheme. Additionally, the department has arranged visits to hospitals, medical stores, medicinal gardens, and other co-curricular activities to promote the overall development of our students. I am pleased to share that the department has recently applied for NBA accreditation. Let us work together towards the achievement of this important goal. I would like to take this opportunity to congratulate the "The Pharma Memoir" team for their outstanding efforts in making this newsletter a reality. I also invite our readers to contribute their ideas and suggestions for the forthcoming issues.

Thank you for your continued support and collaboration.

Best regards,

Dr. Prashant D. Aragade,
Head of Pharmacy Department (I/C)

FROM THE EDITOR's DESK

Dear Readers,

We are pleased to present the July 2023 edition of the Department of Pharmacy Newsletter (The Pharma Memoir 2022-23) to you. We would like to express our appreciation to our alumni for their ongoing support and encouragement. Our Department activities, faculty contribution, which have been featured in this issue. We have upgraded our laboratory with cutting-edge equipment. We applaud our students on their accomplishments in academics, university exams, and sporting events. Our faculties deserve particular recognition for their contributions to research and the organization of conferences and seminars.

We'd like to take this opportunity to thank our readers for their insightful feedback. We are hoping for the same.

Happy Reading
